

General Conditions for Procurement of Goods

Acknowledgement of Order

- Supplier shall either reject or confirm in writing ("Acknowledgement of Order") a purchase order of KAI Kompetenzzentrum Automobil- und Industrieelektronik GmbH, Europastraße 8, 9524 Villach, Austria ("KAI") within 5 (five) working days upon receipt of such purchase order. If KAI receives from Supplier neither a confirmation nor a rejection within the time period set forth above, the purchase order shall be deemed to be confirmed by Supplier ("Deemed Acknowledgment of Order). KAI shall be entitled to cancel the purchase order within 5 (five) working days upon receipt of the purchase order by Supplier if Supplier fails to confirm or reject the purchase order within said time period. The purchase order together with the Acknowledgement of Order or Deemed Acknowledgement of Order shall constitute a final
- Acknowledgement of Order or Deemed Acknowledgement of Order shall constitute a final agreement by both parties to be bound by and comply with all terms and conditions set forth or referenced herein and on attachments hereto ("Agreement").

 If the Acknowledgement of Order differs from the purchase order, it shall be binding on KAI only if and to the extent he has accepted such Acknowledgement of Order in writing. Any general conditions of Supplier shall be binding on KAI only insofar as they are consistent with KAI's conditions or have been accepted by KAI in writing. The acceptance of supplies or services of any nature ("Deliverables") or the making of payments shall not imply acceptance of any conditions.

- Insofar as Deliverables consist of and/or comprise software, documentation and/or specifications, Supplier grants to KAI and its affiliated companies pursuant to § 189a Z 6-8 UGB a non-exclusive, transferable, worldwide and timely unlimited right and
 - to modify (including the creation of derivative works) such Deliverables (for software i) provided the software was delivered in source code); to use and/or reproduce such (modified or unmodified) Deliverables;

 - to distribute (including lease) and/or make available to the public such (modified or unmodified) Deliverables, provided the intended use of such Deliverables is the use integrated in and/or in connection with KAI hardware; iii)
 - to have the rights granted under Sections 2.1 i) to iii) exercised by persons providing services related to (modified or unmodified) Deliverables and/or KAI hardware to iv)
 - persons licensed under Section 2.1; and to sublicense the rights granted under Sections 2.1 i) to iv) to their respective affiliates, distributors and/or customers (both direct and indirect), provided the intended use of such Deliverables is the use on and/or in connection with KAI hardware.
- All sublicenses granted pursuant to Section 2.1v) shall provide appropriate protection for Supplier's intellectual property rights to such Deliverables by using equivalent provisions for 22 the sublicense as KAI uses to protect its own intellectual property.

- Time of Performance; Late Performance
 For the purpose of determining the timeliness of supplies or of Supplementary Performance pursuant to Section 9.2, the relevant point in time shall be the date of receipt at the point of destination specified by KAI. For the purpose of determining the timeliness of supplies which include installation or erection and for the performance of services the relevant point in time shall be the date of acceptance by KAI.

 Supplier shall not be entitled to deliver or perform the Deliverables before the agreed delivery.
- Supplier shall not be entitled to deliver or perform the Deliverables before the agreed delivery or performance date, unless KAI expressly agreed to such delivery or performance in writing 32 in advance.
- If a delay in the Deliverables or a Supplementary Performance pursuant to Section 9.2 is expected to occur, Supplier shall immediately inform KAI and ask KAI to make a decision on
- If Supplier fails to meet the agreed delivery or performance date for reasons for which Supplier is responsible, KAI shall be entitled, without prejudice to its statutory rights, to charge a contractual penalty amounting to 0.3 % (three tenths percent) of the total amount of the Agreement per each working day of said delay and not exceeding a maximum of 10 % (ten percent) of this amount. If no reservation is declared at the time of acceptance of the Deliverables or Supplementary Performance pursuant to Section 9.2, KAI shall nevertheless be entitled to claim the contractual penalty until the final payment.

Delivery; Transfer of Risk; Shipment; Place of Performance

- Any deliveries shall be made DAP pursuant to the purchase order according to Incoterms ("Incoterms") unless agreed otherwise.
- (Incoternis) unless agreed otherwise.

 The risk of loss or damage to supplies which include installation or erection and to services shall pass onto KAI upon time of acceptance by KAI and to other supplies at the time of receipt by KAI at the point of destination specified by KAI, unless KAI and Supplier agreed otherwise.

 Unless agreed otherwise, shipping costs shall be charged to Supplier. In case Incoterms are
- 4.3 agreed that oblige KAI to bear the total or part of the freight costs, shipment shall be effected in the cheapest manner unless otherwise specified by KAI. Extra costs incurred due to failure to conform to a shipping specification shall be borne by Supplier. In case Incoterms are agreed that oblige Supplier to bear all freight costs, KAI shall be entitled to determine the mode of shipment. Any extra costs incurred for expediting shipment to meet delivery shall be borne by Supplier.
 Shipments of Deliverables for use in a clean room shall be effected in a clean room packaging
- labelled with the part number and part name.

 Each shipment shall contain packing slips and dispatch notes indicating contents, purchase
- 4.5
- order number and quantity.

 Over-shipments are subject to prior written confirmation of KAI. 4.6

Export Control; Customs

- Export Control, Customs.

 Supplier shall inform KAI before or upon delivery about export control classification numbers applicable to all goods and services supplied by Supplier, and provide necessary documentation and data together with the goods or services. This includes, e.g., without limitation, identification of applicable export control classification numbers as well as customs declaration information, such as Incoterms, clear product descriptions, harmonized system codes, country of origin, and itemized values, on each invoice, especially in case of consigned materials, equipment of the like. Supplier shall further comply with agreed incoterms, and also materials, equipment or the like. Supplier shall further comply with agreed Incoterms, and also provide preferential treatment declarations conforming to pertinent preferential or free trade agreements, where applicable. Supplier shall further implement effective measures to comply with applicable anti-terrorism and trade regulations.
- KAI has the right to audit Supplier's export control and customs procedures and measures at Supplier's expense. Should KAI identify deficiencies, KAI has the right to, in its sole discretion, either (i) terminate the agreement, cancel all pending orders, and demand return of delivered products; or (ii) require implementation of additional measures at Supplier's expense. Supplier shall indemnify and reimburse KAI for all audit costs and all damages caused by identified
- Unless the Incoterm DDP is agreed, KAI is responsible for the performance of the import customs clearance. In such case, KAI will not refund Supplier or Supplier's service provider any customs duties or service fees when importing or exporting goods. In case the Incoterm DDP is agreed, Supplier is responsible for export and import customs clearance and shall bear

In case the purchase order refers to the delivery of goods and services, the customs invoice of Supplier shall show the value of goods separately from the value of the services performed or to be performed. In the customs invoice, the services and goods shall be described in detail, including the place of performance.

In case Supplier cannot show the value of goods and services separately in the customs invoice, Supplier shall supply the goods according to the Incoterm DDP.

- 6.1 Invoices shall indicate the purchase order reference and the numbers of every single item. Invoices shall not be payable until this information is complete. Copies of invoices shall be marked as such.
- In the event that KAI is using an electronic invoicing system. Supplier is obliged to use this invoicing system for the invoices on its own costs. In such a case, KAI will inform Supplier 6.2 about all requirements of electronic invoicing.

- **7.** 7.1 Unless agreed otherwise, payment shall be effected within 30 (thirty) days less 3 % (three percent) discount or within 60 (sixty) days net from receipt of a written invoice.

 The term of payment shall start with the date the Deliverables have been fully effected and a
 - duly issued invoice has been received by KAI. Insofar as Supplier is obliged to provide material tests, test certificates, quality related or other documents, the term of payment shall only start with receipt of all such documents by KAI. In case of any delivery or performance before the agreed delivery or performance date, the payment term shall start with the agreed delivery or performance date or from receipt of the duly issued invoice, whichever date is later. Discounts shall also be deductible if KAI offsets payments against receivables or withholds payments of a reasonable amount due to a defect in Deliverables; the payment term shall start with the complete removal of the defect.
- Payment of Deliverables shall not be construed as an implied admission that the Deliverables 7.3 comply with contractual terms.

 If Supplier is a merchant, KAI shall only be in arrears if it does not make payment upon receipt
- 7.4 of a reminder of Supplier which is issued after the payment becomes due.

 Once KAI is in arrears, Supplier shall be entitled to demand interest on arrears of 5 % (five
- 7.5 percent). Any further claims or rights of Supplier due to delay of payment shall be excluded.

- Inspection of Incoming Deliverables
 Upon receipt of the Deliverables, KAI shall without undue delay inspect all incoming
 Deliverables and check whether they correspond to the quantity and type ordered and whether
 there are any externally visible transport damage or other externally visible defects. 8.1
- If KAI discovers a defect during the abovementioned inspections it shall notify Supplier thereof. This shall also apply if KAI discovers a defect at a later date. 8.2
- Notifications of defects may be lodged within 1 (one) month after delivery or performance of the supplies or, where the defects are first noticed during working or processing or first use, 8.3
- within 1 (one) month after they were first detected.

 KAI shall not be under any commitment to Supplier to make any more inspections and notifications than those specified above. 8.4

- 9.1 The warranty period shall be 3 (three) years, unless the relevant laws and regulations provide for a longer warranty period. The warranty period shall commence with the transfer of risk pursuant to Section 4.1.
- If defects are detected prior to or upon the transfer of risk or during the warranty period, Supplier shall, at KAI's sole option and discretion, either correct such defects at his own expense, or 92 provide new Deliverables free of defects ("Supplementary Performance"). KAI's choice shall be made at reasonable discretion.
- If the Supplementary Performance fails within a reasonable period of time to be set by KAI, KAI shall be entitled to withdraw from all or part of the Agreement without paying compensation or demand a reduction of price or, at Supplier's expense, perform himself or have performed repairs or replacements and claim damages instead of performance of the Agreement. There is no need to set a reasonable time period in case Supplier refuses the Supplementary Performance in a serious and definite manner or in case of special circumstances that justify the immediate assertion of the aforementioned rights taking into account the interests of KAI
- 9.4 KAI shall be entitled to carry out repairs or have them carried out at Supplier's expense without setting a deadline if Supplier is in delay with the delivery of the Deliverables.
 The same applies in the event that immediate repairs are in KAI's interest to avoid delays by
- KAI or because of any other urgency. Claims under the above warranty provisions shall lapse 1 (one) year from the time Supplier is 9.6 notified of a defect, however in no event before the expiration of the warranty period as set forth in Section 9.1.
- The foregoing shall not limit any further or other rights or claims of KAI provided by applicable 9.7
- 9.8 In case Supplier carries out Supplementary Performance pursuant to Section 9.2, for these
- Deliverables the full warranty period set forth in Section 9.1 shall start anew. Defective Deliverables shall be returned at Supplier's expense and risk. 9.9

Liability for the Infringement of Intellectual Property Rights 10.

Supplier guarantees that no intellectual property rights conflict with the use of the Deliverables provided in the Agreement.

Subcontracting to Third Parties

Subcontracting to third parties shall not be permissible without KAI's prior written consent. In case of subcontracting without KAI's prior written consent, KAI shall be entitled to withdraw from all or part of the Agreement and to claim damages.

Material provided by KAI

- Material provided by KAI to Supplier shall remain the property of KAI and shall be clearly marked and stored separately at no cost for KAI. The material shall only be used for KAI's purchase orders. Supplier shall compensate KAI for depreciation in value or loss. This shall also apply to material provided for and on Supplier's account for a specific purchase order.

 Supplier shall process or transform the material for KAI who shall become the direct owner of
- the new or transformed item. If this is prohibited by law, KAI and Supplier agree, that KAI shall at all times during processing or transformation become the owner of the new item. Supplier shall apply due and proper care in keeping the new item at no cost to KAI.

Tools, Patterns, Samples, Secrecy, etc.

Tools, Patterns, Samples, models, sections, drawings, standards, forms, documents and gauges, etc. provided by KAI to Supplier, as well as items made together with or for KAI, shall not be passed on to third parties nor used for purposes other than those specified in the Agreement without KAI's prior written consent. They shall be safeguarded against unauthorized inspection or use. Subject to any further rights, KAI shall be entitled to demand their return to KAI, if Supplier violates this clause.

Supplier is not entitled to disclose information to third parties received from KAI, unless such information is of a google partier or use of thousands.

information is of a general nature or was otherwise lawfully in his possession. Where KAI has agreed to purchase orders being passed on to third parties, corresponding confidentiality obligations shall be imposed on such third parties in writing by Supplier.

Supplier is obliged to ensure transit insurance according to the agreed risk transfer.

Special Right of Termination

If Supplier ceases payment, a provisional administrator in insolvency is appointed or insolvency proceedings are initiated, KAI shall be entitled to give notice to terminate the Agreement in full or in part or to withdraw from the Agreement. In such a case KAI shall be entitled to use available equipment or Deliverables which have already been provided by Supplier in order to continue the work, in return for appropriate payment.

Compliance with Laws; Corporate Social Responsibility; Environmental Protection, Safety and Health (ESH); Audit

- 16.1 Supplier shall comply with all laws, rules and regulations applicable (including in the country of origin, country of receipt, country of shipment, and in the Infineon-identified country of destination, if provided) to the manufacture, sale and supply of the Deliverables or otherwise in performance of the Agreement, including without limitation laws, rules, and regulations regarding labor standards, safety and health, and protection of the environment. In addition, Supplier shall ensure that third parties according to Section 11 comply with these laws, rules, and regulations.
- 16.2 Furthermore, Supplier shall comply with the currently applicable version of the Supplier Code of Conduct of KAI available through the following link: www.infineon.com/Procurement. KAI will notify Supplier in written or electronic form (e.g. through a web tool) of any updated applicable version of the Supplier Code of Conduct. Such update shall be deemed to have been agreed by Supplier unless Supplier sends the objection to such update (including an explanation of such objection) in written or electronic form to KAI within 15 (fifteen) working days upon its receipt. Supplier shall respect the principles of the UN Global Compact.
- 16.3 Supplier shall comply with the applicable ESH requirements and requirements regarding the employment of foreign personnel during the performance and fulfilment of the Agreement and at its cost be responsible for providing and securing any relevant permits or licenses required by applicable law.
- 16.4 In case that the Deliverables are classified as hazardous according to the latest version of the CLP regulation (EC) 1272/2008, Supplier shall be obliged to put the applicable labelling in place. Prior to the first delivery Supplier shall provide KAI with a Material Safety Data Sheet (MSDS) according to the latest version of the REACH regulation (EC) 1907/2006. In case of any changes, an updated MSDS that highlights the changes shall be provided to the relevant procurement department of KAI by Supplier. On request, Supplier shall provide KAI with any additional information necessary to guarantee appropriate ESH measures. Radioactive substances shall be declared in advance. Supplier shall comply with any legal requirements related to dangerous goods including the European Dangerous Goods Transport Requirements (ADR). In this respect, Supplier shall pay attention to the fact that labelling according to ADR can deviate from the hazardous substances labelling according to the latest version of the CLP regulation (EC) 1272/2008 and that the respective labels for dangerous goods are in place.
- 16.5 KAI and/or any third party authorized by KAI shall be entitled to conduct audits at Supplier's premises and production sites in order to verify Supplier's compliance with the requirements according to this Section 16.
- according to this Section 16.

 16.6 In addition to Section 16.5 Supplier shall support any review, audit or investigation duly requested by the European Commission, European Court of Auditors and/or the European Anti-Fraud Office.

17. Declaration of Conformity (CE) and Radiation Safety

In case that the point of destination is located in a country within the European Union, Supplier shall ensure and warrants that the Deliverables, if they consist of or comprise units, machines or equipment (or parts thereof) pursuant to the applicable laws and regulations, comply with the applicable CE requirements and are, if required, CE certified. Supplier shall provide a corresponding declaration of conformity to KAI. In case that any laws or regulations regarding to radiation safety requirements apply to the Deliverables, Supplier shall provide KAI with the whole set of information necessary to obtain the respective radiation safety permits immediately after conclusion of the Agreement.

18. Applicable Law, Venue

- 8.1 The Agreement shall be governed by and construed in accordance with the law in force in Austria without reference to its conflict of law provisions. The application of the United Nations Convention on Contracts for the International Sale of Goods of 11 April 1980 shall be excluded.
- 18.2 The exclusive place of jurisdiction for all legal disputes arising out of or in connection with the Agreement shall be in the courts competent for 9020 Klagenfurt, Austria. However, nothing in the Agreement shall preclude either Party from seeking interim measures of protection in any court of competent jurisdiction.

19. Miscellaneous

- 19.1 Supplier may not assign the Agreement, transfer its obligations or assign its rights hereunder without the prior written consent of KAI.
- 19.2 Supplier understands that Infineon relies on the uninterrupted availability of the Deliverables. Therefore, Supplier may only exercise any right of retention, if and to the extent:
 - its counterclaims are not disputed by Infineon or are finally awarded by a court of competent jurisdiction, and
 - ii) Supplier has notified such retention in writing at least 10 (ten) days in advance.
 - Additionally, Supplier may exercise any rights or remedies it may have in connection with or as a result of any dispute with Infineon only in relation to such Deliverables which gives cause to any such dispute.
- 19.3 None of the rights and remedies granted to KAI under the Agreement shall be exclusive and prevent KAI from rights and remedies granted under the Agreement or governing law.
- 19.4 Supplier shall not make any public announcement, press release, industry trade magazines announcement or other form of communication to the press regarding the collaboration between KAI and Supplier without KAI'S prior written consent.
- The provisions of the Agreement may not be modified, amended, nor waived, except by a written instrument duly executed by the parties. The requirement of written form itself can only be waived by mutual written agreement.
 The effectiveness of the Agreement shall not be impaired if any provision of the Agreement.
- 19.6 The effectiveness of the Agreement shall not be impaired if any provision of the Agreement should be completely or partially invalid or unenforceable. In this case, the invalid or unenforceable provision shall be replaced by a provision that meets the economical intention of the invalid or unenforceable provision.
- 19.7 The Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all previous communications, discussions, understandings, agreements and negotiations between the parties with respect to such subject matter hereof.
